⌘ Communication Protocol with the Board of Directors

There may be occasions on which parents and guardians wish to make a complaint about some aspect of the Centre's service, facilities, or systems or a breach by the Centre of any of its policies. PPCC has a complaint policy following the Ministry of Education regulations. Copies of the policy is available on the parents bulletin board and PPCC website.

Also the PPCC Board has put the following protocol in place to ensure that parents and guardians have a clear procedures to follow. Complaints are responded in a clear, timely, appropriate and respectful way.

Here are the steps of the protocol:

⌘ Complaints by a parent should first be communicated verbally by the parent to an employee or the Director or Director's designate. The Director or Director's designate will discuss and attempt to resolve the complaint with the parent.

⌘ If the Director or Director's designate is unable to resolve the complaint verbally, the parent should submit a written complaint to the Director or Director's designate. Complaint Form (copies are on the parents bulletin board and available upon request and on PPCC website)

If the Complaint is about the Director or Director's designate, the complainant may raise the complaint with the Centre's Board:

- a. Leave the Complaint Form in a sealed envelope addressed to the Board at the Centre's office # 106
- b. Leave the sealed envelope addressed to the Board in the drop box outside the PPCC office#106. (cannot be applied during the pandemic)
- c. Email the Board directly at: boardofdirectorsPPCC@gmail.com
