⌘ Extra Curriculum Survey Result

To keep with the transparency of the Centre, we would like to share with you the survey result. Please see the attach PDF copy

We acknowledge and thank you very much for your daily support and feedback.

⌘ Communication Protocol with the Board of Directors

There may be occasions on which parents and guardians wish to make a complaint about some aspects of the Centre's service, facilities, or systems or a breach by the Centre of any of its policies.

PPCC has a complaint policy following the Ministry of Education regulations.

- * Copy of the policy is available on the parents bulletin board .
- * All Complaints are responded in a clear, timely, and respectful way.

⌘ Fall Term Extra Curriculum

Effective, November 21st the extra curriculum will start. There will be five (5) sessions for each Experience / per program.

The following is the schedule per program.

⌘ Parking Lot Safety

Parents and Guardians Do NOT PARK in the middle of the drop off loop as this is a huge safety concern.

Important to remember that, the drop-off zone cannot be used for parking. It is the designated fire route for the school/childcare.

Even if the driveway roundabout is empty or school is over, parents still cannot park in the driveway since this is a fire route and would prevent emergency vehicles from being responsive if there is an emergency on the premises.

Please drive with caution, obey all traffic signals and allow the children and pedestrians to have the right of way. The safety and well-being of our children, staff and families/guardians continues to be a priority.
